

Dear Medical Director of  
New Me Institute,

The experience I had at your  
institute was wonderful. I am  
totally happy with my results  
from my breast augmentation.  
I am very happy with my  
choice in picking your institute.  
I have no complaints, just  
compliments to your staff.  
Thank you for making my  
decision a success. The results  
were better than I expected.

Thank you.

Tracey
