

Dear Dr. Shebani & staff,

In all my 55 yrs with  
Doctors (& they have been numerous)  
I have yet to meet such a more  
compassionate & caring Doctor.

Thank-you for being so  
patient with me, with all my  
questions & my perpetual state  
of worry & "THEN" it was all  
over!

Four days later, I was out  
for the entire day & then I  
returned home to guests for the  
evening - SOMETHING I  
NEVER THOUGHT POSSIBLE!
